“ My prayers go out to the family. I worked with Gary at General Hospital. There was not a nicer person that I know. When he entered the room the vibe changed. If it was busy and sad, he would walk in with those dimples and had everyone laughing in minutes. I will miss my old friend. I know God has his loving arms around you all. I pray for peace

“ My heartfelt sympathy goes out to all the family. One of the greatest men ever, gone to soon. May God comfort each and everyone of you in your own personal way. You have a ton of people that Gary meant the world too and I'm sure they will all be there for you in this time of need. I am blessed to have gone to school with him to have such wonderful memories, and kept in touch occasionally later in life, he always brightened my day. May he Rest In Peace and be the beautiful angel we all need.
