“ My memory is he was the best dad ever and I wanted us to have many more memories. I wasn't ready to let go. But I know he was so tired and wanted to go home and rest. I am numb heart is shattered until we meet again dad keep watch over me and my family. I love you..

“ Gary, you will be missed. One of your greatest assests were the love you had for your family. Lorri, Steve, Gary, BJ, Jamie and Matt felt your love, I'm sure. I wasn't in TN when your great grandchildren were born but I'm sure they felt it as well. When I lived in Nashville you made me feel like family.

Everyone has their up days and down days, and you usually found something to laugh at on the down days. You were a good friend who could make me laugh and it was my pleasure to know you. I certainly remember "He Reached Me" by Steve Bivens at Cowboy Church. It described us both. I'm sure the Lord has a big smile on his face when you arrived. I pray he wraps his loving arms around Lorri and the kids comforting them, you will be missed.
