“ Gary was my father's roommate at Quality Care for the past year. What a joy to be around! I will miss him dearly. He was the best roommate Dad could have had. Always enjoyed his smile and spoiling him with treats.
My deepest sympathy to all of you.

“ I am so sorry to hear of your loss.
I went to school with Gary and even though we have not kept in touch over the years it reminds me of how fast time goes by.
If there is one thing I could say to the family to possibly bring some comfort is this, It won't be too much longer before you will meet again and he will be waiting for all of you.
In Christ
