“ *My name is Carlein. I am a Bible teacher. I am sorry for your loss. A scripture that has given me much comfort is Revelation 21.4 which promises that one day death shall be no more. I hope this truth brings you comfort also.*

“ *Eugene was married to aunt many years and my husband and I had lots of fun together. Vacation, Camping Flea markets or just playing cards. Unfortunately we didn't have much contact after the divorce but we always loved him and missed him being apart of our family. We did keep up and chatted on Facebook some. We are sad to hear and our condolences to his childern Sonya, TJ and his stepchildren and wife. We are heart broken and know many will miss him here but we also know that we will see him with his wings in heaven. And so will all of those that are born again.*
