“ George, centipede was one of a kind ,he was an angel in disguise . He never knew a stranger. He always did for others putting himself last. He had a heart of gold and I will always remember the times and memories we all shared together. He was my true love best friend. Chris and George were like two peas in a pod. Always either chatting on the phone or spending time together. George is truly missed and will never be forgotten
We love you George. You now have your angel wings
Prayers and love to the family and especially to Mary and Vic.
