“ I will always treasure the years Howard and I shared with George, Margaret and their family. These are memories that will live on forever. I have always had admiration and praise for the children for the wonderful loving care that you gave to your Dad, especially at his time in need.

*Due to the weather and my recent back surgery I am scared to brave ice, fearful I might fall. Please know all of the family are in my thoughts and prayers.*

*In friendship and love, Patsy Davis*
