“ *Steve, you were a wonderful friend to me for so many years. I am sorry we lost touch over the last several years of your life. I remember you working so hard on getting Wolf FM, your Internet, radio station, online. I enjoyed helping you make the original playlist. It was awesome the way you struggled and learned and got that station on the air or should I say Internet. It was a wonderful accomplishment And I was happy just to be on the sidelines watching you do it. Rest in peace, my friend, and fly high up there in heaven where I know you are. Thank you for all you ever did for me. I hope your family is doing well, and I know that they miss you too. To the family, please accept my condolences and sympathy. I know we all miss him.*
