“ This has to be the Georange Hurt..who had the dogs...and was a good friend with my Daddy Raymond T Simmons Sr. (Fatboy) back in the 70s and 80s. He did like to screw with people for fun....and was always nice to everyone. RIP Mr. HURT.

“ George will be missed by all who knew him. He had a great sense of humor and a quick wit. A big smile and really could play a good jokeHe was a loving husband, father and grandfather. A good friend and listener to what you had to say. Was always there if he could help and called you friend. My prayers are for his family to find peace and comfort during this difficult time.
