“ *Her life and death was a testament of the love she had for her family. Each day given was appreciated by God and she wasn't ashamed to say so. I will miss you tremendously and I will always love you and will see you face to face one day.*

“ *Miss Glenda had a heart of gold. She always went above and beyond to help me with things related to work, especially right after I first moved to Nashville. I really missed her after she retired, but we eventually reconnect through social media and we would often communicate with each other about family, life events, etc. I can't imagine the loss that the family feels presently. Please know that each of you are in my thoughts. I pray that as God wraps you in His loving arms, you feel His Peace and Comfort resting upon you. I will miss you, Miss Glenda, and I look forward to the day that we see each again other in Heaven.*

“ *Miss Glenda was "Good Mama" to her family and her work family. She truly loved and cared for us and was always there to provide advice or a helping hand. We sure missed her once she retired.*

She was a woman of God and talked about her family often. I felt like I knew many of you. Bryan, Joel and Amanda, you are in our thoughts and prayers and asking that God provide you comfort during the difficult time.

Love you Good Mama

Such a loving lady. Our days of working together were truly a blessing. She was my support and rock and my dearest friend. I am heartbroken to hear of her passing. May the Lord bless all of the family and see you through this difficult time. Love you Glenda.

I was fortunate to meet Glenda when I went to work in Underground Storage Tanks. She was such a sweet lady and was always kind to me. Her family was always her treasure and meant so much to her and she will be dearly missed. May God bring you comfort and many happy memories of Goodmama.

Glenda, you will be missed. I met Glenda while working at UST. We talked about family quite often. Her family was her treasure. God Bless Glenda and her family.

I have been fortunate to have known the Miller Family for many years now, starting with Glenda's Son Joel.

Glenda and Joel became my rocks when my oldest Son got Cancer. The Prayers and LONG talks, they were both there for me every turn. I'm sure she has been giving her wings and his now head of the choir.

LOVE to an amazing LADY ❤️❤️❤️❤️🙏🙏🙏🙏🙏🙏🙏🙏🙏🙏🙏🙏
