“ Glenn's Family,

I just returned from a year long tour in Iraq and was told that Glenn had passed. I was on the Police Department for 11 years and Glenn was my LT for many of them while working in the Traffic Division. Glenn always looked out for me and I enjoyed working for him. We remained friends even after I left the Department in 2002 to become a Federal Agent, he would always kid me about "going to the dark side." I feel a loss but I know it does not compare to what you are feeling. I was not here to attend his funeral or visitation but wanted to pass my condolences to you all. I will surely miss his mentoring and friendship, I always knew if I needed anything he would be there for me. May God bless you during these hard times.

“ Dear Family,
I met Glen 30 years ago. I was his dispatcher. He never forgot my name. He always greeted me with a smile. The last time I talked with him, we talked about retirement from the Police Dept. He will be missed. May the Lord bless you all.
