“ *Family, My prayers are with you all as you travel this road. Gloria helped me in may ways throughout my life. She gave me tips and recipes (when Michael told her truthfully, I could not cook), she sewed things, got me jobs, gave me a "talk" when I needed one, prepared my dads will, called at just the right times when I was away in the Navy... Later in her life I was blessed to be able to return a small portion of those favors. She will be missed. Love you all.*

“ *I will never forget Gloria. She was the one everyone called years ago with any type of legal secretarial questions. She knew ALL. I had the pleasure of working with her as well. Teresa, please know that your family will always hold a special place in our hearts. Go rest in peace my friend.*
