“ *Gil and Dennis,*

We were sorry to hear of your Dad's passing, and also sorry that we didn't know about it until after the funeral service. We regret not having your addresses in order to send sympathy cards, so please accept this message as our expression of sympathy. We had been calling your Dad 2 or 3 times a year for the last few years. We often spoke about the great Canasta games we used to play at your house. His death causes the number of remaining faculty members from Springfield High School to drop to two, I believe.

“ *I knew Mr Wood through the school system in Henderson, KY. He was an inspiration to me as a student. The world is a better place do to his presence...*
