“ *Judy, and family,*

I am so very sorry the lost of your mother. I have enjoyed getting to know her when she visited you in NC..She was such a sweet person, and she loved you and all her family. To lose your mother is losing a part of yourself. But always remember the wonderful memories, and thank God every day that he gave you such a wonderful mother in this life. You will always miss her, but hold on to the love she always gave to you, that was a real blessing in life. Know I am always here for you when every you need a friend.
