After graduating in the class of 1937, she moved to Donelson TN where she lived a wonderful life. Hettie was a very loving person with a beautiful heart. “ *Hettie, I will miss visiting you when I come home to visit and sending you cards when I am not in Nashville. It is always a pleasure to see you. The last time I was there, they had just started letting visitors into the rooms. I brought you some pretty cut flowers, a card and a basket of goodies. I am also thankful that you and my Mom (Patsy Davis) were such loving friends. You were like the sister that she never had. You are truly a marvelous, wonderful, loving lady. You will be deeply missed. You will always have a place in my heart. Much love to you above in heaven! Sheri Dixon*

“ *I'm so saddened to hear of Hettie's passing. I have many fond memories of fun times with her at Al Menah activities. I still have a pair of unborn calf skin cowgirl boots that she gave me. We were at Jack Phelp's house and she was wearing them. I admired them and since we wore the same size, we traded shoes and I went home with the boots, She was a delight t all who knew her.*
