“ *My dear sweet Holly....may you rest in eternal peace with our Saviour and Lord. Your life was too short, but your accomplishments many. Your light was a gift to all who knew you, and your light will live on in the legacy of Rain and Addie. You loved the girls with all of your being, and they will continue to receive love, security, safety, and routine. As they grow older, I will write to them and tell them about their beautiful mother. "He heals the Broken-Hearted and binds up their wounds". I love you, dear Hollywood.....Mom*
