“ *To the Family: So sorry about the loss of your dear loved one. The Bible tells of times where we won't have to deal with the death anymore at Rev 21:3,4. May you find comfort in the scriptures during this difficult time.*

“ *I am so sorry for your loss.
1 Corinthians 15:26 tells us that one day we will not be sad.
I will keep you all in my prayers.*

“ *My condolence to the family. it is always hard to lose the one we love because Almighty God never intended it. But because he loves us so much he has provided a means for us to be reunited with our love ones again on the Paradise earth, by means of the resurrection. May you find a measure of comfort in these words .*
