“ *My deepest condolences to the friends and family of Jackie. We will never get used to losing our love ones in death. The reason is because we were created with everlasting life in view. “ *Please accept my condolences for the loss of Jack. Losing a loved one is so very difficult. God's word promises there will come a time on earth when there will be no pain, suffering, or death (Revelation 21:3,4). May these promises provide comfort in this time of sadness.*
