“ There is a special bond between a daughter and her "diddy" that even death cant take away. I'm gonna miss you so much but i know i will never be without you in my heart. I felt you take a piece of me with you as I was holding your hand when you left this earth so I know you will always have me with you too. I will always treasure the final time we shared together as daughter and "diddy". Thank you diddy. Rest in peace and know that I will be with you again someday.

“ I think it's going to be hard knowing your not 6 doors down. It's gonna hit me one day that I can't take you your mail everyday, or go, and talk to you. To keep you company. That everytime I walk by your not there. Its gonna be rough. You were like my other Grandpa. I will miss you dearly. Ill never forget you, or the change, and joy you brought to my life. Ill see you again one day. Rest in Peace.
Always,
Sunshine.
