“ *Even though we have never met, I almost felt like we had Jake, because your Mom talked about you so much. Sometimes she talked with worry in her voice, sometimes with laughter...but always with pride. She loved you very much. Please continue to love her as well and show her signs that you are near her heart. ~ Melanie Nevins*

“ Jake, you were always so sweet to come talk to me whenever I saw you out in the world. Your mamma is one of the most amazing mamma bears out there, and I can't imagine how she will miss you. I am thinking of everyone in your life right now, hoping they make it as best they can through this very tough time. I hope your sweet spirit carries on with all of them.

“ All of us in North Dakota want you to know you are in our thoughts and prayers. Although there are miles between us and none of us will be there with you, we grieve his passing right with you. My prayer is that you all experience the Lord's peace and that you find fulfillment and joy in remembering Jacob's life and cherish the privilege of the time you (and all of us) had with him. All my love, Janelle Muscha
