NF

“ We'll buddy, it's been a hot minute since I've seen you. I remember us being kids, you always saying how pretty Lori was, now you'll get to see her, and my gram before me. Please make sure to give both of them a big hug from me. My goodness I'm still in shock over the fact that you're gone! But, now your with your momma, and everyone else you've missed!
