“ *To the family,  
I knew Huey from the 1960s when he worked for Tommy Wakefield  
and I worked at Phillips-Robinson funeral home.  
He was a great person and always met you with a smile. It was my  
distinct pleasure to have had him as a friend, he was a hard worker  
and a good honest man.*

*Rest In Peace my friend,  
Herschell Watson
