“ *James, I will miss you more than I can put into words, lovebug. You were the sweetest man I have ever met. We were so in love and everyone knew it. You were always telling me how much you love me and how much you could not wait to marry me. We had true love. That love will never die. Now you're in God's hands. And I know you are watching over me and Timmy. You are our guardian angel now. You were my fiancée, best friend, my other half. You meant the world to me. Rest in paradise muffin. I love you*
