“ *Son my heart is broken. I feel like a part of me is gone. I pretend like you are in your room at night. I am in physical pain. People tell me it will get better I smile and say ok but in my heart I know it is never going to get better*

“ *Every day since you left us I have been planning and preparing for your service. I wanted it to be perfect. I wanted to honor you and let everyone know how much you were loved. Now that your service is over I just sit and miss you. My heart is shattered. There is a void in our lives that will never be filled. I miss you my precious brother.*

“ *Becoming your Aunt at 10 yrs old was the greatest! You were the most beautiful baby. So many precious memories of you as a baby playing weebles or Sesame Street. Your feather pillow. Calling me Boo Bah because I would tickle you & say boobalah. Staying up all night watching Abbott and Costello. So many amazing memories. I dont know how I would have survived without your help with Megan Michael & Tyler! How they'd light up to see their Big Bubba! What an impact you were on all our lives. We're all broken over this. My prayers are with you Sharon Robert Kristi & Beth Ally, Conner & Andrew. Sharon I can't begin to imagine how you feel. There are no words for your loss. God grant you all comfort. Rest with the Angel's precious Jamie* 💜

“ *There are no words to express how sorry I am for the whole family's pain at a time like this. I just know it hurts. I pray the family can come together in love as any child would want, with the help of our lord, Jesus Christ. May he Rest In Peace with our Heavenly Father. I didn't know his mom and step dad, but I heard his dad, Frank, Sr speak of his son many times with love and only best wishes. My prayers are with Frank and his wife, Judy, his mom and step dad as well as his 2 Loving sisters and all who knew and loved him. Peace be with you all...*
