“ My name is Jennifer Howard but my maiden name is Jennifer Carr. I am the daughter of Jimmy Heckert. I'm the only child. My father was a sweet and kind person that would do anything for anybody. He never got to meet his grandsons and he wasn't there when I got married.

“ Jimmy was the first person I met when I moved to Trevecca - and for two years we had great times. Jimmy loved to have fun - and played jokes all the time! After I got my chair we'd hop the bus and head downtown to shop and look around. We ate BBQ at Riverfront, fried chicken on Jefferson, and lots of fried potatoes with onions and biscuits and gravy in his or my apartment.

I missed him thru the winter - but had no idea how much until spring came and he's not there riding around the building and keeping up with everything. I am so glad I knew him!
