“ *Mr. Kincaid sat in front of me at the Fairground Speedway on Saturday nights for several years. With his sons, grandson, and friends. He was always so kind and friendly and loved to tell about the old days at the race track. I enjoyed each conversation. God bless.*

“ *Daddy,
My heart is breaking this afternoon, You will forever be in my heart. I will always be your little girl. I pray that you are walking with mom on the streets of gold & there is no more pain. One day I will be at the gate & I am sure you will be there for me just like you have always been. I love you, mom, granny,scottie, uncle red, brittney and uncle bobby. I really don't know how I will get through the rest of my life without you, but I am a part of you & i will always remember that. Just walk with me during thees hard times. Love you always & forever. Your baby girl.*
