“ *I remember I was 8 months pregnant with my oldest son. Junie asked me what was his name going to be and I hadn't made up my mind. Later that afternoon Junie, Beverly and my granny Rose were on the porch saying our 100th good byes and Junie said something and Beverly goes "JAMES WALKER"!! I still to this day don't know what he said but at that moment "James" was the name I picked for my oldest son. I'll never forget that day. I told them both that evening that I was going to name him James. Junie as my granny called him was "tickled to death"*

Uncle Junie, you always made me laugh and made sure I had a stack of the latest dvds to watch. I know you're in a better place, and I know Beverly was ready for you. Tell granny and Beverly hey. Love you!
