“Granny, I am so honored to have you as my Granny. You’re an amazing woman. I am honored that I got to spend these past couple months with you almost every minute of every day. I’m honored that I was able to cook for you, take care of you, laugh and smile with you, and to be able to spend every moment together until the end. You have loved me unconditionally from the moment of my birth, to your last breath. It didn’t matter what crazy hair style I had, piercings, tattoos, wardrobe, you were always excited for me and loved everything about me. Never judged or criticized me. You were always my number one cheerleader. My number one fan. I will forever cherish our memories together, the public ones and our private ones! I love you Granny, I miss you so much already. Thank you for being the best Supermodel Granny a girl could have.

Love,
Your 1st Granddaughter,
Candi

(P.S. I’ll never tell anyone our little secret! Shhh ☺)
