“ While I had not seen Janice in more than thirty years, I remember her as beautiful spirit, full of love and goodness for all those in her life. As I admire her photograph in the obit, I see a remarkable likeness to her beloved Mother and that warms my heart.

God bless the family of this fine lady who embraced life in every way.

“ My heart aches for your loss and I am praying for you. I had the privilege of working with Janice for almost 12 years. She touched my life, and I am so thankful. She exemplified the woman in Proverbs 30:10-31. "Strength and dignity are her clothing, and she smiles at the future. She opens her mouth in wisdom, and the teaching of kindness is on her tongue. She looks well to the ways of her household, and does not eat the bread of idleness..." She was Special!
