“ *Marsha, Vivian, Doris and Margaret,*

I was saddened to learn of the loss of your mother. She was such a special person and touched the lives of so many people. I am sure anyone who was ever in her kindergarten class remembers her fondly. I remember her not only as my kindergarten teacher, but as a kind, loving person who was always interested in others -- no matter how old we got or how much time had passed. She will be greatly missed!

My deepest sympathies to all of you.

“ *Marsha: Their are no words to express the loss that I know you are feeling. The void that such a loss leaves in your heart can never quite heal. Just remember the "good times" and all the love which you shared when you think of her. I will be thinking and praying for you tomorrow.*
