I love you uncle Jerry and know you are in heaven watching over your children and family. You are so very special to me and always have been. I'm happy you are no longer suffering and that you are probably fishing in the most beautiful spot you've ever seen. See you soon Uncle Jerry. ~ Tara Elkins,*

“ RIP Uncle Jerry i miss and love you tell our loved ones i miss and love them. I want to thank you for being there for My baby sister Marlene, i remember when she didn't come around us for days. She would come down there and talk to you. And you would tell her she better go see your mom or call her one. And You said don't you do that to your mom and dad cause they only love you and won't the best for you and know you are safe. And she did what you ask her. You always gave us good advise. I will see all of you up there again. Patty / To the Family Love you all Debbie&Donny and family Larry&Laurie and family and Paula and family And to all the Sisters and the Brother and all there family. God bless yall.

“ *Debbie and Larry and all your family I'm praying for you daily and I love you. When I think about your daddy I remember how he was always there when I needed him especially when my cars were broke down. I'll always remember Christmas at your house, we filled the house inside and out and I think for the most part we didn't tear anything up like all the salt and pepper shakers. I really am amazed that he lived in the same house for 46 years. Y'all were blessed to have a good dad who stuck with y'all no matter what.*
