“ *Daddy as I sit and write this I think of all the could've and should'ves that come to mind. I spoke to you on Monday and you were gone on Thursday. What I would give to have you back. Didn't always agree with what you did but that was your way. You lived life on your own terms. Seeing you in so much pain because of your back and knowing there was nothing I could do was hard. You are now with your Daddy (my Peepaw) and I know we'll see each other again one day. You are now free to go fishing when and wherever you want. I Love You Daddy.  
Rest in peace and catch one for me,  
Daddy's Girl, Tammy*
