“ So very sorry for the loss of your beloved daddy. I remember him being a very hard working man, so that his main priority, his family, had everything and anything they needed. He and Diana raised some incredible people. I am sending love and prayers to you all. It seems like I was a part of your family way back when! Time goes on and things change, but you all stayed true to who you are and who you wanted to be. I am proud to say that I know you all. Much love, Kelly Neville Burke Sorry so late, I don't do Facebook much, therefore miss lots of news.

“ Jerry was a beloved brother in law. Many fond memories of Jerry and my brother Pete being best friends since grammar school at Stratton and continuing at Madison High playing football together under Couch Brimm. After his time in the Army he came home and married my sister Diana. We're going to miss you, but we know your spirit lives on. Love and condolences to my nieces Kim, Tina, Jere and my nephew Jock. Also to my great nieces and nephews.
