I met jess in 2006 at cafe coco , we kept in communication over the years. Met her sister. Ran into Jess around town many times. Gave her the Canada Goose jacket she is wearing near the end of the slide show in 2017 . Last talked to her when she was living in Bellevue. She was always so nice to me .

Met Jessica at Cafe Coco in 2006 , we dated briefly. But kept in touch for the next 15 years. Met her sister, mom. She is wearing the Canada goose jacket I gave her in the video. Used to walk at Radnor with her and visit her in Bellevue.

“ *Jessie lit up a room when she entered. She was as beautiful inside as she was out. I will never forget her hugs, her talent and her sweet, sweet spirit. She made me laugh, and I am honored to have known and loved her. I am still in shock, but I know she is at peace with her Heavenly Father. My heart aches for her family, but I know they will be together again one day.*
