“ *Hello, I would like to offer my sincere condolences on the passing of your loved one, I know that these can be very difficult times for the family of the loved one, these trying times sometimes can bring out all different types of emotions. But perhaps some words from God's word the Bible can help us to find some comfort during these trying times. At Revelations chapter 21 verses 3 and 4 it says, with that I heard a loud voice from the throne say, look! The tent of God is with Mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will morning no outcry nor pain be anymore. The former things have passed away. So these words from God tell us that he will soon wipe out all these things that bring the sorrow and the pain that we have to go through now. So hopefully these words from God will offer you some comfort during these trying times. Sincerely Charles Holloman*
