“ *John was my good friend since we were in 1st grade & we use to hangout often all the way through school. Even after we got out of school & started raising family's we seen eachother alot up till we were about 25. But you know how things go when your working & raising kids you have less time to hangout with good friends. That dont mean you dont still think about the really good friendship's we had. John was 1 of a kind & if he was your friend, you had him as a friend for life. I thank god that i had John as a good friend and think about all the GREAT TIME'S WE SHARED!!!! Im missing him already & know we will see eachother again someday. Thank's for all the good memories John, Rest in Peace buddy.*

“ John became my friend when I was in the 7th grade at Hermitage Skate Center. He was very special to me. Everytime I saw him he always had a smile on his face. I saw him last year for a few minutes and we got to catch up on how we were doing. Rest in Peace John Ezell...

“ To The Agee & Ezell Families, I met John when our children were just little kids. I remember John, Tammy and I would all get together and the kids would play for hours. I miss those days so much. I will miss John. Even when I was new in town, I was always treated like one of the gang by both John and his family. I will keep all of you in my prayers.

“ John Ezell is my Godfather. Uncle John has been a part of my life since the day I was born. The lives of those that he touched will never be the same. He was a beautiful man with a loving soul and he is loved and will be missed terribly. He had a way of making you feel like the only person in the world when he was talking to you. He loved deeply and you always knew it. To Betty, Skip, Lynne, Makesha, and Adam I know your loss is great and difficult. To Little John, I can't image. Love you all.
