“ Mrs. Nancy, Stephanie, Justin, Courtney and family,

I'm so sorry for your loss. I just loved your sweet dad/husband. He was one of my favorite class parents at GCS. We could always count on his help and support. Some of my favorite memories of high school include he and a handful of the other dads always willing to help us make beautiful homecoming floats. He was truly great dad! Lifting you all up in prayer throughout this tough time. Much love.

“ Nancy, You may not know that Johnny's mother and my mother worked together at Cain-Sloan, so we went back even prior to Isaac Litton. In all, I played in 4 bands with Johnny...High School plus rock cover bands from college off and on for decades. We loved to reminisce about those times...some of the best times of our lives. I miss sharing music and the law with him, and I miss band practice in your basement. My love to you and your family. Graham Baker
