“ *Dear Family,
I happened to see John's notice in the Star. I have fond memories of when we spent time at WIAN at Shortridge. John had a wonderful voice and he was a very sweet fellow. It's good to know he had such a happy and full life. Serita Slocum Borgeas*

“ I want to share with you my fond memory of JT. We called him JT instead of John. He always had a quick wit about him we all loved. His e-mails that he would send me about Cats always made me smile. He was the "MAN" when it came to getting our computers back up and running and the one to keep them running. JT was very special to us all. Everyone that knew him received a blessing. you could just look at him on a bad day and he would make you smile. I will miss this gentle giant. My prayers go out to his precious grieving family.

To his beloved wife, Keep the memory of his playful soul close to your heart and think on it often. You are in my Prayers.

In Christ Love,
Kelly Burger
