“ John, we had some great times together at Steel Service/AmeriSteel. I always enjoyed putting our heads together and coming up with a solution on a problem. You were truly a great friend. It was my honor to work with you.

“ John, you were always a class act. I drove down Greenwood just the other day . I was able to call out everyone who lived on that street. Yes, I remembered you. When you have great childhood friends you take with you some great memories. Thanks friend. :)

“ Love ya brother-in-law. You and I really hit it off and understood one another. I can truly say that you were the brother that everyone wish that they could have and will always remain in all of our hearts. Remember Pauline loves to ride motorcycles so open that throttle wide open and tell her hold on polly.
