“ *I loved my "Uncle Johnnie" with all my heart. He always had a smile on his face and a song in his heart and on his lips. He was always happy and tried to make sure that we were happy also, especially when talking about The Lord. I always thought he looked like Clark Gable when he was younger and proudly told others about my good looking uncle :-)*
You are missed Uncle Johnnie, but I know you are rejoicing in Heaven, where we'll meet again one day soon.
Ernie, Wanda and Michael...you have wonderful memories of a dear Father - what a blessing. God bless.

“ *Johnnie was a humble, kind friend that I had the privilege to sing with at Eastland and he always made me feel important. I always said if I could be half the Man he was I would be doing pretty good. I look forward the the day I'll be singing with him again ! Eliot.*
