“ Can't believe it has been almost two weeks since you left us. I know you are in a better place and back to the same old Johnny everyone loved and laughed with. You had so many health issues and didn't feel well for the last 7 months. You were resting and at peace the last few days and even knew your family and friends who were around you. Your final wishes were granted, even if they were not our wishes. You had so many friends and family show up at your visitation. Your service did not serve you well. Some chose to talk about your faults instead of remembering the good about you. Like why we had an Alabama themed Celebration. Of course anyone who knew you, knows how much you LOVED Alabama! And how you mourned over wrecking your Bama Truck! No one mentioned how you loved playing Fast Pitch softball and how good you were. We had so much fun when you coached the softball team I was on. And all the Road Trips we took to play in tournaments. It was a family affair and we all had a blast. You always loved playing cards with our family. Had your 3 dimes ready to play anytime, anywhere! I think we laughed more playing cards than any other time together. Especially in Gatlinburg. (had to be quiet cause the babies were sleeping...lol) We all had to start using sign language and still giggled too loudly. I am sure you are now playing cards and Aggravation with Steve with Papa Young watching and smiling. I will cherish the good memories and hope you are now resting in peace. Love you very much and we will see you again some day.

“ *Ps. 34:18- says Jehovah God is near to those broken at heart. I pray that the family will be comforted by all God's promises. The scriptures refer to Him as the God of all comfort who comforts us in all our trials (2 Cor. 1:3,4).*

“ *We know Johnny is now in Heaven with Our Lord. He was in so much pain, like torture. I will never let anyone suffer the way he did. I failed him by not calling an Ambulance and sending him to the hospital. I am so very sorry. We will see him one day and\ WHAT A DAY OF REJOICING THAT WILL BE.\*”
