“ Johnny we are going to miss you. But I know you are looking down from heaven and watching over us.

You were like a second dad to me. I so sorry that Jeremiah will not have the opportunity to know what a wonderful Godly man you were.

I'm not sure that you will ever know how many lives were touch by knowing you. Love and miss you

“ To Belinda and family.

Blessed is the only word I can think of that would come close to describing how lucky we all are for knowing Johnny. He set the standard high, follow the call of the Lord, and preached many sermons without speaking a word. He lived his life as a good example of a Godly man. I can honestly say me and George are better people for knowing him. It is an honor to call him Friend. May the Lord bless you and your family during this hard season of your life, but know me and George will be lifting you and your family up in prayer! Love you

“ I have known Johnny since he was a small boy. He always has a smile on his face and that will be missed so much by all. Johnny's work in the Church was his calling and he answered. Bill and I will miss talking to Johnny and will miss him in church as we do his father and mother. We love all of your family, and wish you peace in this time.

“ *Belinda, Amanda, Amber, Christy, Lynn, Tommy, Ricky, Dusty... Please first let me let you all know how sorry you have to go through losing such a Great Husband, Father, Son and Brother: Johnny was my dear friend, You could always count on Johnny being there for you in anything you needed or just for him to pray for you.. Our Church is so blessed to have a hard and helping Deacon as we had in Bro. Johnny. Now it's his time to take what he had here on Earth to Heaven to be a "Warrior" for God. I will miss Johnny so much he would get so so excited and shout and give us all a true blessing. We want have him here in flesh but his Memory will live on through our hearts.. As the song goes "Friends are Friends Forever if the Lord's the Lord of them... Though it's hard to let "You" go in the Father's hand we know, that A lifetime is not too long to live as FRIENDS.... I love you Johnny... GO FLY AWAY!!! Love forever your friend, Bit (Belinda and Jerry Tobitt)*
