“ *I'm so sorry for the family loss. Janet was one of my best friends and when ever I spent the night with her, Johnny had to be in the middle of us. I have so often wondered wher he and Janet were. this breaks my heart.....My prayers are with the family. Can't believe we lived so close and never saw each other. I have lived in White House for 24 years and never ran into Johnny or Janet. He was such an adorable boy and this is so hard to believe!!*

“ Gary loves to share stories of the adventures you guys got into in your youth. Those are always good for a few laughs. We will cherish memories of all the time spent with you and Pallie on the lake. You were the kind of guy who would give the shirt off his back to help a stranger in need. Once you be-friended someone they couldn't have had a better friend. May God bless your family in a very special way. You will be missed and loved forever.
