“ *I fondly remember when I first met and became good friends with Eddie in 1965 in East Nashville where we both lived at that time. Little did either of us know then that we would become family too. But, after life happening for 46 years his brother Jeff married my daughter Angie in 2011 and the rest is history. We both feel blessed to be part of the Brimm Family. Eddie was a good and beloved man, husband, Father, Grandfather, brother, family member and friend. He will always be loved and missed by each of us left here until we see him again one day My deepest and heartfelt condolences are sent for Judy, each of his children, grandchildren, Jeff, Linda, other family members, friends and all who knew and loved him. God bless you all.*

“ My fondest memories are the trips we took from Gatlinburg to Florida to Alaska. We had more fun and had so many laughs. I will miss his jokes and talking sports. He was a great man. Rest in peace...
