“ *Janice,
Sorry for the loss of your sister, Joyce. I enjoyed working with both of you at TDES. We all enjoyed the IAPES activities; but, I think Joyce loved it more than all of us. If you needed something to get done, all you had to do was ask Joyce. If she couldn't do it herself, she would find the right person to take care of it.
I lost my sister 2 years ago, so I can feel for your lost Janice.
Best Wishes for all.*

“ *Patti, Kristy and Nikki and of course Lightning - Aunt Joyce will be missed. No one besides Nana or at least not me had the remarkable talent to stay in touch with cards or letters for every occasion. You all hold tight to memories for comfort, lean on your family and friends for strength, and always remember how much you are cared about. Love Judi & Michael*

“ Joyce was a bundle of energy and joy. Loved to hear her say "TAB" - made it sound as if it had several syllables. Bill commented about it often. Bill and I shared many wonderful times and precious memories with Joyce while I was working for the State of TN and after I moved to Alabama. We shared a passion for I.A.P.E.S./I.A.W.P. and attended our last International Conference in Louisville, KY in 2006. One could not be around Joyce very long before there was a lot of laughter and good cheer. She devoted her all to many endeavors. She will be missed to all who knew and loved her.

Our condolences to Lightening, Patti, Janice and all family.
