“ Judy's zest for life, her talents, her kindness and her generosity will always be what I remember about her. We also shared the same birthday!

Now my friend has made the journey after giving this life her best and I hope all of those who knew and loved her will be heartened knowing how much she loved all of you.

Farewell, my friend. I will look for you up there among the stars!

“ My friend, I wish I could be there to say goodbye, but I have prior photo commitments in Atlanta. Yeah, yeah... I know you understand, having worked in the industry, and forgive me, but I'm still sorry I can't be there. You made me smile and brought sunshine into this world.

You will be greatly missed by everyone whose lives you touched, and that was MANY.

Love, Dan
