"Dear Mama"

So many tears have fallen in the short time that you have been gone. A day will not go by where you are not missed and thought of. I have nothing but good memories of you. I love you with all my heart and you still and always will mean the world to me. I will keep taking care of little dog that Daddy brought to us. Daddy could not wait any longer for you, so you are with him now. Please wait for me so we can all be together again soon. I LOVE YOU MAMA!
