“ *I've known Kandy since we were 8. We've been friends for life and I can tell you first hand the girl was amazing! She was more than a friend, she was my sister. She had a love for people and would always see the best in them and in any circumstance. I know she loved big and we all felt it. When I think of her , my mind sees the 8 yr old girl I met, the best friend for life who shared anything with me, the mom and grandmother she loved becoming and the witness for Christ she became. She showed us all how to love life , make friends, make memories and to be content in all circumstances with the grace of God. Wow my friend...what a legacy. I'm so thankful for her love and presence in my life...it won't be the same without her.*

“ *Kandy was a good friend and loved her family. I've known her since High school at Stratford. She would always go out of her way to help anyone. Her smile would light up a room. Prayers to her family.*

“ Kandy was a strong woman who weathered many storms and raised two wonderful children! She grew in her faith and relationship with the Lord daily over the past many years since she and I became friends! She was a loyal Mom, Grammy and friend loved by all who knew her! She was never afraid to stand up for her faith and what was right! I will always treasure our friendship and pray I can be unwavering for what is right no matter who likes it just as she was! Merry Christmas Kandy as you truly celebrate this year!
