“ Sending heartfelt sympathy for the death of your dear loved one Karen. It't so heartwarming to know about the wonderful promises from our loving creator. John 5: 28,29 talks about the resurrection, the real hope of being reunited with our dead loved ones. Another comforting scripture is Job 14:14,15,Our thoughts are with the family.

“ *Sending sympathy and condolences to her family and close friends, especially Kevin. I am so sorry for your loss. When I think of Karen, I think of her ability to see humor in most everything. I also think of her laughter and giggle as she would laugh all over and thoroughly enjoy the humor in the ridiculous that we would see in our work environment. That gift helped us all survive the stress of the workplace. I know you will all miss her and especially Kevin as I do understand the bond of twins. My memory will be with a smile. Sending prayers for your comfort. Sue J. Hiland, Former DDS co-worker.*

“ Karen was a wonderful person and I enjoyed the time I had the privilege to call her my friend. You left this world way too soon and will be sadly missed by all who knew you.

“ I have worked with Karen Carson for a little over 10 years and am blessed to have known her. She had a sweet and comedic spirit which helped carry me through the work day. She was the first person in QA at DDS to send me a QA return, but recognized I had just finished training. So, she emailed me and told me if I had any questions to call or email her. She taught and helped me so much grow in my job more than she will ever know. She is gone way too soon, but just knowing she is in a better place and heaven is a lot brighter because she is there makes me smile. My prayers go out to her family, especially you Kevin. Love, peace and joy-Vida Finley
