“ *Kathy and I where friends for over 30 years one thing she absolutely loved was dancing she could tear up that dance floor,it did not matter what song she had that rhythm, she had so many friends who loved her ,my daughter and I would go hang with her at that rehab center on Ben Allen road and I'll tell you there was not one person in there that she did not know ,and we brought her a gift basket and her first thought was to share with everyone on her floor ,such a kind heart she is going to be missed by so many of us who meet her at the starlite so many years ago ,my last conversation with her was Friday the 16th we where talking about Ms Dots passing and now that was the last time I would hear he say...I will talk to you later I love you girly..bye..RIP my friend I know you are now dancing in the sky ..*
