“ I love you so much Aunt Kathy! You were such a big inspiration in my life and I just hope that you knew how much I loved and appreciated everything you did for me. I'll never forget summers coming over and staying for weeks on end. I loved being with you and miss those times dearly. You will ALWAYS be in my heart. P.S I found this pic on our ancestry you were always a beautiful diva even in junior high 🥰❤❤❤

Kathy I hope you had enough breathe in you to ask God for forgiveness. And I hope those puppet strings have been broken that all yall lived by for so many years. But I see Heather is only holding on to her evil traditions. She is 6 ft under and still controlling yall. Sad sad sad. Yall don't have to worry or think about me because I'm doing fine. Never needed to be controlled and that's why she and I couldn't get along. I was taught to be independent by by my Daddy. I loss him more than anything in life.

Please Angela don't come here to speak negatively against her as she is not her to defend herself. You've had your own demons yourself. And even as me and my own mother is estranged I could never lower myself to speak down on her if she was no longer here to defend herself. None of us are saints. And I pray for you and your soul because forgiveness is the only way to heal trauma wounds. We know what Aunt Kathy, My Nannie and Aunt Janie went through hell growing up. The hell they had to endure as small children. Did you ever stop to think that what they endured shaped them into who they were/are to this day. Please find it in your heart to forgive through the Lord. You have 3 children yourself whom may feel the exact same way about you. I'm hoping you would seek for their forgiveness to help heal their wounds. You didn't break any generational curse if anything you carried it on. So that makes you no better. I pray for your soul that hate that you feel inside can turn to forgiveness and Jesus can save you as well. I'm not perfect far from it but I work hard everyday to better myself no matter the shade or dirt thats thrown on my name. I hope that you able to find true peace and solitude in your life cousin. ❤️

“ I will forever miss my big sister! We shared so much laughter and many tears together. You were the one person I could call upon when I had questions rather it be a problem or a Recipe question! It doesn't seem possible that you have left us so soon and so young! My heart hurts so bad knowing I will not see you in this lifetime. I love you so much and I know you are having one great reunion where you are now and God knows you are in no more pain or hurting for any reason! I know you knew I loved you even though sometimes we may not agreed on everything but you knew my love for you was always there! I will miss our phone calls but Your are in a place that one day we all will be and together! You fly high Sis and until we meet again, I love you Kathy! 🌹🦋
